6.8 Negligence. The Owner of each Unit shall be liable for the expenses of any maintenance, repair or replacement of Common Elements, other Units or personal property made necessary by his act or negligence, or by that of any of his occupants, guests, agents or tenants. Each Unit Owner has a duty to maintain his unit, and any Limited Common Elements appurtenant to the Unit (except those to be maintained by the Association as provided in this Declaration), and personal property therein, in such a manner as to prevent foreseeable and reasonably preventable damage to other Units, the Common Elements or the property of other Owners and residents. All payments upon account shall be first applied to interest and then to the assessment payment first due. All interest collected shall be credited to the general expense account.

7.5) Lien for Assessments. There shall be a lien for unpaid assessments with interest as provided by the Condominium Act on each Unit and all improvements thereon which shall also secure taxable court costs and reasonable attorneys' fees incurred by the Association incident to the collection of such assessment or preparation, enforcement and foreclosure of such lien, whether suit is filed or not and whether for negotiations, trial, appellate or other legal services.

ARTICLE 9.
Insurance

9.1) Insurance. The insurance other than title insurance which shall be carried upon the Condominium property and the property of the Unit Owners shall be governed by the provisions hereinafter set forth.

9.2) Authority to Purchase: Named Insured. All insurance policies upon the Condominium property shall be purchased by the Association and the named insured shall be the Association individually and as agent for the Unit Owners, naming them and their mortgagees as their interests may appear. Provision shall be made for the issuance of mortgage endorsements and memoranda of insurance to the mortgagees of Unit Owners. Unit Owners may obtain insurance coverage at their own expense upon their own personal property and for their personal liability and living expense.

9.3) Mortgage Approval. So long as an institutional first mortgagee shall hold a mortgage upon at least a majority of the Units, such mortgagee shall have the right to approve the insurer on all insurance policies covering the Condominium property, and the Association shall submit to said mortgagee proof of payment of the annual premiums on all such insurance policies purchased by the Association. This subparagraph shall be construed as a covenant for the benefit of, and may be enforced by, any such institutional first mortgagee.

9.4) Casualty. All buildings and improvements upon the land and all personal property belonging to the Association or a part of the common elements shall be insured in an amount equal to the maximum insurance replacement value, excluding foundation and excavation costs as determined annually by the Board of Administration

of the Association. Such coverage shall afford protection against:

(a) Loss or damage by fire and other hazards covered by a standard extended coverage endorsement;

(b) Flood insurance as required by mortgagees; and

(c) Such other risks as from time to time shall be customarily covered with respect to buildings similar in construction, location and use as the buildings on the land, including, but not limited to, vandalism and malicious mischief.

9.5) Public Liability. Public liability insurance shall be carried in such amounts and with such coverage as shall be required by the Board of Administration of the Association, including, but not limited to, hired automobile and non-owned automobile coverages, and with cross liability endorsement to cover liabilities of the Unit Owners as a group, to a Unit Owner.

9.6) Worker's Compensation. Worker's Compensation insurance shall be carried to meet the requirements of the law.

9.7) Other Insurance. The Association shall carry such other insurance as the Board of Administration shall determine from time to time to be desirable, including flood insurance.

9.8) Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association as a common expense.

9.9) Association as Agent. The Association is irrevocably appointed agent for each Unit Owner and for each owner of a mortgage or other lien upon a Unit and for each owner of any other interest in the Condominium property, to adjust all claims arising under insurance policies purchased by the Association, and to execute and deliver releases upon the payment of claims, provided, however, that no claims relating to an individual Unit upon which there is an institutional first mortgage shall be settled without the consent of the institutional mortgagee holding said mortgage, and provided further that if an institutional first mortgagee holding mortgages encumbering more than five (5) Units requests the Association to appoint an independent institutional insurance trustee, the Association shall appoint such a trustee to handle the disbursement of all casualty and property insurance proceeds, and provided further that no claims affecting the common elements in excess of \$25,000 shall be settled without the consent of all institutional first mortgagees.

9.10) Reconstruction and Repair. If any part of the Condominium property shall be damaged by casualty, it shall be reconstructed or repaired immediately unless it is determined in the manner elsewhere provided that the Condominium shall be terminated.

9.11) Plans and Specifications. Any reconstruction or repair must be substantially in accordance with the plans and specifications for the original building, or if not, then according to plans and specifications approved by the Board of Administration of the Association and institutional first mortgagees holding mortgages on the Units involved.

9.12) Responsibility. If the damage is only to those parts of a Unit for which

the responsibility of maintenance and repair is that of the Unit Owner, the then Unit Owner shall be responsible for reconstruction and repair after casualty. In all other instances, the responsibility for reconstruction and repair after casualty shall be that of the Association. Insurance proceeds shall be applied to such reconstruction and repair.

9.13) Estimates of Costs. Immediately after a casualty causing damage to property for which the Association has the responsibility of maintenance and repair, the Association shall obtain reliable and detailed estimates of the cost to rebuild or repair.

9.14) Assessments. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair by the Association, or if at any time during reconstruction and repair, the funds for the payment of the costs thereof are insufficient, the Association shall pay over sufficient amounts to provide funds to pay the estimated costs, as part of the common expenses of the Association to be assessed against Unit Owners.

9.15) Construction Funds. The funds for payment of costs of reconstruction and repair after casualty, which shall consist of proceeds of insurance and funds collected by the Association from assessments against Unit Owners, shall be disbursed in payment of such costs in the manner required by the Board of Administration of the Association. The first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds, and if there is a balance in the construction fund after payment of all costs of reconstruction and repair for which the fund is established, such balance shall be distributed to the Association as common surplus.

ARTICLE 10.

(k) Allow any animals to be kept in the unit other than one (1) dog or cat, fish within aquariums or birds within cages, pursuant to the rules and regulations of the Board of Administration of the Association, provided that in the event such animals become a nuisance to the other Unit Owners in the sole opinion of the Board of Administration, such animals shall be removed from the Unit immediately; or allow any authorized pets to use the common areas except those areas specifically set aside for pets when on a leash accompanied by its Owner, and any animal waste shall be collected and disposed of by the Owner. Occupancy by any number of animals or by an animal not provided for hereinabove shall occur only if prior written consent shall be given by the Association Board of Administration.

(l) Park overnight or use for a living accommodation commercial vehicles, boats, campers, trailers, mobile homes and similar vehicles in any parking area. Service vehicles during the time they are actually serving the Unit or common

elements and pick-up trucks, vans and other personal use vehicles of persons occupying the Units are permitted. Motorcycles are prohibited. Ashton Lakes Community Association will provide guest parking and may establish parking and rules with respect to above vehicles.

(m) Conduct any motor repair or other repair work to an automobile either within the limited common element or common elements of the Condominium nor store any household articles, furnishings or furniture within the parking space or outside the Unit.

(n) Discharge any rubbish, refuse, garbage, animal or human wastes into the lake(s) or onto the embankments or onto or into any common or limited common element area or permit the accumulation of any rubbish, refuse, garbage within any limited common element or common element area of the Condominium.

10.3) Residential Units. Each of the Units shall be occupied only by the Owner, his tenants, servants and guests, and the respective families and guests of the Owner and his tenants, as a temporary or permanent residence and for no other purpose, provided, however, that this restriction and limitation shall not prevent or be deemed to prevent the conveyance of a Unit to two or more persons unrelated by family ties or to a corporation, trust, partnership or other business entity. Except as reserved to Developer, no Unit may be divided or subdivided into a smaller Unit nor any portion thereof sold or otherwise transferred without first amending this Declaration to show the changes in the Units to be affected thereby.

10.4) Common Elements. The common elements shall be used only for the purpose for which they are intended in the furnishing of services and facilities for the enjoyment of the Units.

10.5) Nuisances. No nuisances shall be allowed upon the Condominium property, nor any use or practice which is the source of annoyance to residents or which interferes with the peaceful possession and proper use of the property by its residents.

10.6) Lawful Use. No immoral, improper, offensive or unlawful use shall be made of the Condominium property nor any part thereof; and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. The responsibility of meeting the requirements of governmental bodies which require maintenance, modification or repair of the Condominium property shall be the same as the responsibility for the maintenance and repair of the property concerned.

10.7) Leasing. No Unit may be rented or leased for a period less than thirty (30) days. All leases shall be subject to Association approval as provided by Article 11 of the Declaration. A Unit may not be rented more than four (4) times in any one (1) calendar year. No rooms or portions of a Unit may be rented. During the time a Unit is leased or occupied by others, the Unit Owner shall not have the right to use the common elements and facilities except as a guest of the lessee. The Association may appoint a rental and sales agent to handle rentals as a convenience to Unit Owners. Such agent shall serve at the pleasure of the Board of Administration and may be replaced at any time.

10.8) Regulations. Reasonable and uniform rules and regulations concerning the use of Units and the Condominium property may be made and amended from time to time by the Association, in the manner provided in the Articles or Bylaws. Copies of such rules and regulations and amendments thereto shall be furnished by the Association to all Unit Owners and occupants of the Condominium on request.

10.9) Provision. Provided, however, that notwithstanding anything herein contained, until Developer has sold and/or transferred all of the Units in the Condominium, neither the Unit Owners nor the Association nor their use of the Condominium property shall interfere with the sale of the Units. Developer, its agents and employees may make such use of the unsold Units and common elements as may facilitate its completion and sale of units, including, but not limited to, use of roads, streets, parking, maintenance of a sales office, models, the showing of the property, and the display of signs and other advertising.

ARTICLE 11.

Maintenance of Community Interests

11.1) Maintenance of Community Interests. In order to maintain a community of congenial residents who are financially responsible and thus protect the value of the Units, the transfer of Units by any owner other than Developer shall be subject to the following provisions so long as the Condominium exists and the Units in useful condition exist upon the land, which provisions each Unit Owner covenants to observe.

11.2) Transfers Subject to Approval. The following transfers shall be subject to approval:

(a) Sale or Lease. No Unit Owner other than the Developer may dispose of a Unit or any interest therein by sale, other transfer, or lease without the approval of the Association, except to another Unit Owner.

(b) Gift, Devise or Inheritance. If any Unit Owner shall acquire his title by gift, devise or inheritance or other means of transfer not herein set forth, the continuance of his ownership of his Unit shall be subject to the approval of the Association. This provision shall not be applicable to the immediate family of the initial grantees from the Developer, and for the purposes of this paragraph, the term "immediate family" shall be construed to mean the spouse or children of such original grantee.

11.3) Approval by Association. The approval of the Association which is required for the transfer of ownership of Units shall be obtained in the following manner:

(a) Notice to Association.

(1) Sale or Lease. A Unit Owner intending to make a bona fide sale, transfer, or lease of his Unit shall give to the Association notice of such intention, together with the name and address of the intended purchaser, transferee, lessee, and/or such other information as the Association may reasonably require. Such notice, if a sale, at the Unit Owner's option, may include a demand by the Unit Owner that the Association furnish a purchaser if the proposed purchaser is not approved; and if such demand is made, the notice shall be accompanied by an executed copy of the proposed contract to sell.

(2) Gift, Devise or Inheritance; Other Transfers. A Unit Owner who has obtained his title by gift, devise or inheritance, or by any other manner not heretofore considered, shall give to the Association notice of the acquiring of his title, together with such information concerning the Unit Owner as the Association may reasonably require, and a certified copy of the instrument evidencing the owner's title.

(3) Failure to Give Notice. If the notice to the Association herein required is not given, then at any time after receiving knowledge of a transaction or event transferring ownership or possession of a Unit, the Association at its election and without notice, may approve or disapprove the transaction or

ownership. If the Association disapproves the transaction of ownership, the Association shall proceed as if it had received the required notice on the date of such disapproval.

(b) Certificate of Approval. Within thirty (30) days after receipt of such notice and information of a proposed transfer or change of ownership as above set forth, the Association must either approve or disapprove the proposed transaction or continuance of ownership. If approved, the approval shall be stated in a certificate executed by the President and Secretary, in recordable form, and shall be delivered to the Purchaser or Unit Owner and shall be recorded in the Public Records of Sarasota County, Florida, at the expense of the purchaser or Unit Owner.

(c) Approval of Corporate Owner or Purchaser. Inasmuch as the Condominium may be used only for residential purposes, and a corporation cannot occupy a Unit for such use, if the Unit Owner or purchaser of a Unit is a corporation, the approval of ownership by the corporation may be conditioned upon requiring that all persons occupying the Unit be also approved by the Association.

(d) Fee for Approval. The Association may charge a fee in connection with each request for approval but no such fee shall be in excess of the expenditures reasonably required for the transfer or sale, but such fee shall not exceed the maximum permitted by the Condominium Statute.

11.4) Disapproval by Association. If the proposed transaction is a sale and if the notice of sale given by the Unit Owner shall so demand, or if the Unit Owner giving notice has acquired his title by gift, devise or inheritance (except as provided in Paragraph 11.2)(b) hereof), or in any other manner, and if the Association shall disapprove the transfer of ownership of such Unit, then within 30 days after receipt of such notice and information, the Association shall deliver or mail, by certified mail, to the Unit Owner an agreement to purchase by the Association or by a purchaser approved by the Association who will purchase, said purchaser being an assignee from Association of its rights hereunder, and to whom the Unit Owner must sell the Unit upon the following terms:

(a) If the proposed transaction is a sale, the purchaser shall pay the price as stated in the disapproved contract to sell.

(b) If the Unit Owner has acquired his title by gift, devise, inheritance or in any other manner, the sale price shall be the fair market value determined by agreement between seller and purchaser within 20 days of the delivery or mailing of such agreement and, in the absence of such agreement, by arbitration.

(c) Arbitration shall be in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two real estate appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the Unit; and a judgment of specific performance of the sale upon the award rendered by the arbitrators may be entered in any court of competent jurisdiction. The expenses of arbitration shall be paid by the purchaser.

(d) The purchase price shall be paid in cash at closing.

(e) The sale shall be closed within 30 days after the delivery or mailing of said agreement to purchase, or within 10 days after the determination of the sale price if such is by arbitration, whichever is the later.

(f) A certificate of the Association executed by its President and Secretary approving the purchase shall be recorded in the Public Records of Sarasota County, Florida, at the expense of the purchaser.

(g) If the Association shall fail to purchase or to provide a purchaser as herein required, or if the Association or a purchaser furnished by the Association shall default in the agreement to purchase, then notwithstanding the disapproval, the proposed transaction or changed ownership shall be deemed to have been approved, and the Association shall furnish a certificate of approval as elsewhere provided, which shall be recorded in the Public Records of Sarasota County, Florida, at the expense of the purchaser or Unit Owner, as the case may be.

(h) If the transaction is a lease, if the approval is not given, the lease shall not be made and the proposed tenant shall not take possession.

11.5) Mortgage. No Unit Owner other than the Developer may mortgage his Unit or any interest therein without the approval of the Association, except to a bank, insurance company, real estate investment trust, Massachusetts business trust, savings and loan association, mortgage banker, mortgage broker, agency of the U. S. Government, or to a vendor to secure a portion or all of the purchase price. The approval of any other mortgagee may be upon conditions determined by the Association or may be arbitrarily withheld.

11.6) Exceptions. The foregoing provisions of this section entitled "Maintenance of Community Interests" shall not apply to a transfer or to a purchase by Developer or by a bank, insurance company, real estate investment trust, Massachusetts business trust, savings and loan association, mortgage banker, mortgage broker, or agency of the U. S. Government that acquires its title as the result of owning a mortgage upon the Unit concerned, and this shall be so whether the title is acquired by deed from the mortgagor or through foreclosure proceedings; nor shall such provisions apply to a transfer or sale by Developer or by a bank, insurance company, real estate investment trust, Massachusetts business trust, mortgage banker, mortgage broker, agency of the U. S. Government or savings and loan association that so acquires its title. Neither shall such provisions require the approval of a purchaser who acquires the title to a Unit at a duly advertised public sale with open bidding provided by law, such as, but not limited to an execution sale, foreclosure sale, judicial sale or tax sale.

11.7) Unauthorized Transactions. Any sale, change of ownership or mortgage which is not authorized pursuant to the terms of this Declaration shall be void unless subsequently approved in writing by the Association.

11.8) Notice of Lien or Suit.

(a) Notice of Lien. A Unit Owner shall give notice, in writing, to the Association of every lien upon his Unit other than for permitted mortgages, taxes and special assessments within 5 days after the attaching of the lien.

(b) Notice of Suit. A Unit Owner shall give notice, in writing, to the Association of every suit or other proceeding which may affect the title to his Unit, such notice to be given within 5 days after the Unit Owner receives knowledge thereof.

(c) Failure to Comply. Failure to comply with this subsection concerning liens will not affect the validity of any judicial sale.

ARTICLE 12.
Summary of Developer Rights

12.1 Set forth below is a summary of the various rights reserved to the Developer throughout the Declaration of Condominium, Articles of Incorporation and Bylaws of ASHTON LAKES NO. 4, a Condominium, which are designed to permit the Developer to successfully develop, improve and sell the units to be constructed within the condominium as well as units and other forms of single-family residences to be developed throughout the Ashton Lakes Community and any lands adjacent thereto. Failure to include or fully describe any rights reserved to the Developer throughout the Condominium Documents in this Article 12 shall not constitute a limitation or lessening of the rights otherwise provided to the Developer by the Condominium Documents or the laws of the State of Florida.

12.2 The rights reserved to the Developer shall include by way of description and not limitation the following:

- (a) Use of the Administration Building of ASHTON LAKES COMMUNITY ASSOCIATION as a sales office and construction office.
- (b) The right to use the sales office administration building as provided in Article 4, Paragraph 4.2(a)(1).

- (e) The right to guarantee by statement in the Contract of Sale that assessments for common expenses will not exceed a stated amount for a stated period of time as provided by the Florida Condominium Statute. The Developer shall pay the difference between the common expenses and the amount produced by assessments against the Unit Owners, and shall be excused from liability for assessments for unsold units. The Developer does not guarantee that assessments will not increase after the guarantee period.
- (f) The right to control the Condominium Association as provided by Paragraph 8.9.
- (g) The right to amend the Declaration of Condominium to reflect alterations of boundaries or interior design, and to reflect substantial completion as provided by Paragraphs 4.6 and 4.7 respectively.

ARTICLE 13.

Purchase and Lease of Units and Other
Real and Personal Property by the Association

13.1) Purchase by the Association. The Association shall have the power to purchase Units in the Condominium as well as other real and personal property, and leaseholds, memberships and other possessory or use interests, all as provided in Article 8, and to hold, lease, mortgage and convey the same only in accordance with the following provisions:

(a) Decision. A majority of the Board of Administrators and of the Unit Owners shall be required to purchase or lease a Unit in the Condominium, or any other real or personal property, and to mortgage and convey the same.

(b) Limitation. If at any one time the Association be the owner or contract purchaser of three (3) or more Units, it may not purchase any additional Units without the prior written approval of 70% of members eligible to vote thereon. A member whose Unit is the subject matter of the proposed purchase shall be ineligible to vote thereon, but the Association may vote the votes attributable to the Units it owns. Provided, however, that the foregoing limitation shall not apply to Units to be purchased at public sale resulting from a foreclosure of the Association's lien for delinquent assessments where the bid of the Association does not exceed the amount found due the Association, or to be acquired by the Association in lieu of foreclosure of such lien if the consideration therefor does not exceed the cancellation of such lien.

ARTICLE 14.

Compliance and Default

14.1) Compliance and Default. Each Unit Owner shall be governed by and shall comply with the terms of the Declaration of Condominium, Articles of Incorporation, Bylaws and Rules and Regulations adopted pursuant thereto and as said documents and Rules and Regulations may be amended from time to time by the Condominium, together with the Articles of Incorporation, Declaration Of Covenants and Restrictions, Bylaws,

and Rules and Regulations of ASHTON LAKES CONDOMINIUM ASSOCIATION, INC. Failure of a Unit Owner to comply with the above shall entitle the Association or other Unit Owners or ASHTON LAKES COMMUNITY ASSOCIATION to the relief hereinafter provided, in addition to the remedies provided by the Condominium Act.

14.2) Enforcement. The Association and its administrators, officers and agents are hereby empowered to enforce this Declaration and the Bylaws and Rules and Regulations of the Association. The Association has the irrevocable right of access to each unit during reasonable hours, when necessary for the maintenance, repair, or replacement of any common elements or for making emergency repairs which are necessary to prevent damage to the common elements or association property.

14.3) Negligence. A Unit Owner shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his act, neglect or carelessness, or by that of any member of his family, or his or their guests, servants, employees, agents or lessees, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association.

14.4) Costs and Attorneys' Fees. In any proceeding arising because of an alleged failure of a Unit Owner to comply with the terms of the Declaration, the Bylaws or the Rules and Regulations adopted pursuant thereto, and said documents as they may be amended from time to time, or for a declaratory judgment relating to the rights of the Association or Unit Owners thereunder, the prevailing party shall be entitled to recover the costs and expenses of the proceeding and reasonable attorneys' fees to be awarded by the court, whether for trial or appellate legal services.

14.5) No Waiver of Rights. The failure of the Association or any Unit Owner to enforce any covenant, restriction or other provision of the Condominium Act, this Declaration, the Articles of Incorporation, the Bylaws, or the Rules and Regulations adopted pursuant thereto, shall not constitute a waiver of the right to do so thereafter.

ARTICLE 15.
Amendments

15.1) Amendments. Except as otherwise specifically provided, this Declaration of Condominium may be amended only in the manner hereinafter set forth.

15.2) Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is to be considered.

15.3) Resolution of Adoption. A resolution adopting a proposed amendment may be proposed by either the Board of Administration of the Association or by at least thirty percent (30%) of the members of the Association. Administrators and members not present in person or by proxy at the meetings considering the amendment may express their approval in writing, providing such approval is delivered to the Secretary at or prior to the meeting. Except as elsewhere provided, such approvals must be by not less than 50% of the votes of the entire membership of the Association.

15.4) Limitation on Amendment. Provided, however, that no amendment shall discriminate against any Unit Owner nor against any Unit or class or groups of Units unless the Unit Owners so affected shall consent, provided, however, that notwithstanding anything herein contained to the contrary, such amendment(s) shall not be effective until such time as all institutional first mortgagees holding mortgages encumbering more than five (5) Units have consented in writing to such amendment(s). No amendment shall change the provisions of Article 10.9) entitled "Provisio" or Article 11.6 entitled "Exceptions" without the Developer's consent. Neither shall an amendment make any change in the section entitled "Insurance" nor in the section entitled "Reconstruction or Repair after Casualty", unless the record holders of all mortgages upon the Condominium shall join in the execution of an amendment.

15.5) Execution and Recording. Except as otherwise specifically provided herein, a copy of each such amendment shall be attached to a certificate by the Association certifying that the amendment was duly adopted, which certificate shall be executed by the appropriate officers of the Association with all the formalities of a deed. Any such amendment shall be effective only when such certificate and copy of the amendment are recorded in the Public Records of Sarasota County, Florida.

15.6) Change in Percentage of Ownership in Common Elements or Sharing of Common Expense. Any vote to amend this Declaration relating to a change in the percentage of ownership in the common elements or the sharing of the common expense shall be conducted by secret ballot.

15.7) Creation of Time-Share Estates. No amendment to this Declaration may permit time-share estates to be created in any Unit of the Condominium, including any Phase if any subsequent Phase shall be completed and added to the Condominium, unless the record owners of each Unit of the Condominium and the record owners of liens on each Unit of the Condominium shall join in the execution of the amendment.

ARTICLE 16.
Termination

16.1) Termination. The Condominium may be terminated in the manner hereinafter provided, in addition to the manner provided in the Condominium Act.

16.2) Agreement. The Condominium may be terminated by the approval in writing of all of the Owners of the Units therein, and by all record owners of mortgages thereon. If the proposed termination is submitted to a meeting of the members of the Association, the notice of which meeting gives notice of the proposed termination, and if the approval of the Owners of not less than seventy percent (70%) of the Units and of the record Owners of all mortgages upon the Units, are obtained in writing, not later than thirty (30) days from the date of such meeting, then the approving owners

shall have an option to buy all of the Units of the other owners for the period ending on the sixtieth (60th) day from the date of such meeting. Such approvals shall be irrevocable until the expiration of the option, and if the option is exercised, the approvals shall be irrevocable. Such option shall be upon the following terms:

(a) Exercise of Option. The option shall be exercised by delivery or mailing by certified mail to each of the record owners of the Units to be purchased, of an agreement to purchase signed by the record owners of the Units who will participate in the purchase. Such agreement shall indicate which Units will be purchased by each participating owner and shall agree to purchase all of the Units owned by owners not approving the termination, but the agreement shall effect a separate contract between each seller and his purchaser.

(b) Price. The sale price for each Unit shall be the fair market value determined by agreement between the seller and purchaser within thirty (30) days from the delivery or mailing of such agreement, and in the absence of agreement as to price, it shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two real estate appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the Unit; and a judgment of specific performance of the sale upon the award rendered by the arbitration may be entered in any court of competent jurisdiction. The expense of the arbitration shall be paid by the purchaser.

(c) Payment. The purchase price shall be paid in cash at closing.

(d) Closing. The sale shall be closed within ten (10) days following the determination of the sale price.

16.3) Certificate. The termination of the Condominium shall be evidenced by a certificate of the Association executed by the President and Secretary certifying as to facts effecting the termination, which certificate shall become effecting upon being recorded in the Public Records of Sarasota County, Florida.

16.4) Shares of Owners after Termination. However, no annual meeting of the membership shall be held until the time specified within the Articles of Incorporation of this Association.

2.2 Special members' meetings shall be held whenever called by the President or Vice President or by a majority of the Board of Directors, and must be called by such officers upon receipt of a written request from members entitled to cast two-thirds (2/3rds) of the votes of the entire membership. A special meeting of the Unit Owners to recall a member or members of the Board or to consider the budget if the assessment exceeds the previous year by 115% may be called by ten percent (10%) of the Unit Owners giving notice of the meeting as required for a meeting of Unit Owners, which notice must state the purpose of the meeting.

2.3 Notice of all members' meetings stating the time and place and the purpose for which the meeting is called shall be given by the President or Vice President or Secretary unless waived in writing. Such notice shall be in writing to each member at his address as it appears on the books of the Association and shall be mailed not less than fourteen (14) days nor more than sixty (60) days prior to the date of the meeting. Proof of such mailing shall be given by the affidavit of the person giving the notice. In addition, a notice of each meeting of the members shall be posted at a conspicuous place on the Condominium property at least fourteen (14) days prior to each meeting of the members. The notice of the annual meeting of the members must be sent by mail to each Unit Owner and the post office certificate retained as proof of such mailing unless the particular Unit Owner has waived in writing the right to receive the notice of the annual meeting by mail. If a Unit is transferred after the notice is given by the Association, the transferee need not be notified. Attendance at any meeting, annual or special, by a member constitutes a waiver of notice unless at the beginning of the meeting he objects to it because it is not legally called. Notice may be waived before, at or after a meeting, whether annual or special, and Unit Owners may take action by written agreement without meetings if allowed by these Bylaws, the Declaration of Condominium, or any Florida Statute.

2.4 The record date on which members who were entitled to notice of a meeting are determined is three (3) days prior to date the first notices are mailed or hand delivered.

2.5 A quorum at members' meetings shall consist of the owners of a majority of the units of the entire condominium. All decisions at a members' meeting shall be made by a majority of the units represented at a meeting at which a quorum is present, except when approval by a greater number of members is required by the Declaration of Condominium, the Articles of Incorporation or these Bylaws. If a quorum be established, the subsequent withdrawal of members that reduces the number below that originally required for determination of quorum shall not affect the validity of any action thereafter taken at the meeting or any adjournment of it.

2.6 Voting.

a. In any meeting of members the owners of units in the condominium shall be entitled to cast one vote for each Unit, unless the decision to be made is elsewhere required to be determined in another manner.

b. If a Unit is owned by one person, his right to vote shall be established by the record title to his Unit. If a Unit is owned by more than one person, only one of the record owners shall cast the vote for the Unit and it may be presumed by the Association that the person purporting to cast the vote for a particular Unit is authorized by the owners of the Unit to cast that vote. In the event of a dispute among the owners of a Unit as to the person entitled to cast the vote of that Unit, no owner shall be able to cast the vote of that Unit until such time as the dispute is resolved and the Unit Owners of record have filed with the Association a certificate in writing, designating the person to cast the vote for the Unit, which certificate must be signed by at least a majority of owners of record of the particular Unit. If a Unit is owned by a corporation, the person entitled to cast the vote for the Unit (who shall be one of the current officers or directors of the corporation) shall be designated by a certificate signed by a corporate officer and filed with the Association at or prior to the particular meeting. Such certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Unit concerned. A certificate designating the person entitled to cast the vote of a corporation or an agreement in writing settling a dispute as to the person entitled to cast the vote for the Unit owned by more than one may be amended or revoked from time to time. Such amendment or revocation by a corporation shall be signed by any person authorized to act for the corporation and an amendment or revocation settling a dispute shall be executed by a majority of the Unit Owners. If the certificate to be filed by a corporation or an agreement in writing to settle a dispute among owners of a Unit is not on file, the vote of such Unit and the Owners thereof shall not be considered in determining the requirement for a quorum or any other purpose.

2.7 Proxies. Votes may be cast in person or by proxy. Any person who has reached his majority may be named a proxy. A person named as a proxy need not be a Unit Owner. A proxy may be made by any person entitled to vote and shall be effective only for the specific meeting for which originally given and any lawfully adjourned meetings thereof. In no event shall any proxy be valid for a period longer than ninety (90) days after the date of the first meeting for which it was given. Every proxy shall be revocable at any time at the pleasure of the Unit Owner executing it. Each proxy shall specifically set forth the name of the person voting by proxy, and the name of the person authorized to vote the proxy for him. Each proxy shall contain the date, time and place of the meeting for which the proxy is given, and if a limited proxy, shall set forth those items which the holder of the proxy may vote, and the manner in which the vote is cast.

2.8 Adjourned meetings. If any meeting of members cannot be organized because a quorum has not attended, the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present.

2.9 The order of business at annual members' meetings and as far as practical at other members' meetings, shall be:

- a. Election of chairman of the meeting
- b. Calling of the roll and certifying of proxies

- c. Proof of notice of meeting or waiver of notice
- d. Reading and disposal of any unapproved minutes
- e. Reports of officers

2.10 Waiver of Notice. The members may waive notice of any specific members' meeting in writing or orally before or after any meeting. The members may also act by written agreement without meeting.

2.11 Deleted.

Minutes of each annual and any special members' meeting shall be kept in a businesslike manner by the Secretary of the Association and shall be available for inspection by Unit Owners and members of the Board of Administration at all reasonable times upon reasonable advance notice to the Secretary.

Administrators may be removed with or without cause by the vote or agreement in writing of a majority of all Unit Owners.

c. A nominating committee of at least three (3) members shall be appointed by the Board of Administrators not less than thirty (30) days prior to the annual members' meeting. The committee shall nominate one person for each administrator then serving whose term is expiring. Nominations for additional administratorships created at the meeting shall be made from the floor, and other nominations may be made from the floor.

d. The election shall be by a ballot (unless dispensed by unanimous consent) and by a plurality of the votes cast, each person voting being entitled to cast his vote for each of as many nominees as there are vacancies to be filled. There shall be no cumulative voting.

e. Except as to vacancies provided by removal of administrators by members, vacancies in the Board of Administrators occurring between annual meetings of members shall be filled by the remaining administrators.

f. Subject to the provisions of §718.301, Florida Statutes, any administrator may be removed with or without cause by the vote or agreement in writing by a majority of all Unit Owners. The vacancy in the Board of Administrators so created shall be filled by the members of the Association at the same meeting.

3.5 The organization meeting of a newly-elected Board of Administrators shall be held within ten (10) days of their election at such place and time as shall be fixed by the administrators at the meeting at which they were elected.

3.6 Regular meetings of the Board of Administrators may be held at such time and place as shall be determined, from time to time, by a majority of the administrators. Notice of regular meetings (except for any such meeting at which the adoption of the annual budget is to be considered) shall be given to each administrator, personally or by mail, telephone or telegraph, at least three (3) days prior to the day named for such meeting.

3.7 Special meetings of the administrators may be called by the President and must be called by the Secretary at the written request of one-third (1/3) of the administrators. Notice of special meetings (except for any such meeting at which the adoption of the annual budget is to be considered and except for an emergency) shall be given personally or by mail, telephone or telegraph, at least three (3) days prior to the day named for such meeting, which notice shall state the time, place and purpose of the meeting.

and proposed assessments must be mailed to the members not less than thirty (30) days prior to such meeting, together with the written notice of such meeting. The meeting shall be open to the Unit Owners.

3.11 Waiver of Notice. Any administrator may waive the notice of a meeting to which he is entitled before or after the meeting and such waiver shall be deemed equivalent to the giving of notice to such administrator.

3.12 A quorum at administrators' meetings shall consist of a majority of the entire Board of Administrators. The acts approved by a majority of those present at a meeting at which a quorum is present shall constitute the acts of the Board of Administrators, except when approval by a greater number of administrators is required by the Condominium Act, the Declaration of Condominium, the Articles of Incorporation or these Bylaws.

3.13 Adjourned Meetings. If at any meeting of the Board of Administrators there be less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present. At any adjourned meeting any business that might have been transacted at the meeting as originally called may be transacted.

3.14 Joinder in Meeting by Approval of Minutes. A member of the Board of Administration may join by written concurrence in any action taken at a meeting of the Board but such concurrence may not be used for the purposes of creating a quorum.

The Board of Administrators by resolution adopted by a majority of the full Board may designate from among its members an executive committee, and one or more other committees, whose exercise of power shall be subject to the prior and subsequent approval of the Board of Administrators. The Board of Administrators may delegate to the executive committee such powers as it deems proper, except as prohibited by Florida Statutes, 607.127 (a-f) and the Board may designate one or more members as alternate members of any such committee who may act in the place and stead of any absent member or members at any meeting of such committee.

3.19 Regulations. The Board of Administrators may adopt, amend and rescind Rules and Regulations to govern the operation and use of the Condominium, its property, the common elements and any lease, recreational or other common facility. The Rules and Regulations shall be uniform and shall not conflict with the Declaration, Articles of Incorporation or these Bylaws.

4. Powers and Duties of the Board of Administrators. All of the powers and duties of the Association existing under the Condominium Act, the Declaration of Condominium, Articles of Incorporation and these Bylaws shall be exercised exclusively by the Board of Administrators, its agents, contractors or employees subject only to approval by Unit Owners when such is specifically required. The Association shall have all of the powers and duties set forth in the Condominium Act, except as limited by the Articles of Incorporation, the Declaration of Condominium and these Bylaws, where permissible under the Condominium Act (Chapter 718 F.S.) and all of the powers and duties reasonably necessary to operate the Condominium pursuant to the Declaration and as it may be amended from time to time, including but not limited to the powers as set forth in the Articles of Incorporation.

5. Officers.

5.1 The executive officers of the Association shall be a President, who shall be the administrator, a Vice President, who shall be an administrator, a Treasurer, a Secretary and an Assistant Secretary, all of whom shall be elected annually by the Board of Administrators and shall serve at the pleasure of the Board of Administrators. Any person may hold two or more offices, except that the President shall not be also the Secretary or an Assistant Secretary. The Board of Administrators from time to time shall elect such other officers and designate their powers and duties as the Board shall find to be required to manage the affairs of the Association.

The Board of Administrators shall elect a delegate and alternate to the Board of Administrators of ASHTON LAKES COMMUNITY ASSOCIATION, who shall serve for a two (2) year term. Such persons shall be members of the Board of Administration of the Condominium and may hold that office in addition to any other office of the Association.

5.2 The President shall be the chief executive officer of the Association, and shall be an ex officio member of all such standing committees except any nominating committee. He shall have all of the powers and duties usually vested in the office of President of an Association, including but not limited to the power to appoint committees from among the members from time to time, as he in his discretion may determine appropriate, to assist in the conduct of the affairs of the Association.

5.3 The Vice President in the absence or disability of the President shall exercise the powers and perform the duties of the President. He also shall assist the President generally and exercise such other powers and perform such other duties as shall be prescribed by the Administrators.

5.4 The Secretary shall keep the minutes of all proceedings of the administrators and the members. He shall attend to the giving and serving of all

notices to the members and administrators and other notices required by law. He shall have custody of the seal of the Association and affix it to instruments requiring a seal when duly signed. He shall keep the records of the Association, except those of the Treasurer, and shall perform all other duties incident to the office of Secretary of an association and as may be required by the Administrators or the President. The Assistant Secretary shall perform the duties of the Secretary when the Secretary is absent.

5.5 The Treasurer shall have custody of all property of the Association, including funds, securities and evidences of indebtedness. He shall keep the books of the Association in accordance with good accounting practices; and he shall perform all other duties incident to the office of Treasurer.

5.6 The compensation, if any, of all officers and the compensation of all employees of the Association shall be fixed by the Administrators. The provision that Administrators' fees shall be determined by members shall not preclude the Board of Administrators from employing an Administrator as an employee of the Association, nor preclude the contracting with an Administrator Director for the management of the Condominium.

5.7 All officers serve at the pleasure of the Board of Administrators. Any officer may be removed by a majority vote of the Administrators at a special meeting called for that purpose.

5.8 A vacancy in office shall be filled by the Board of Administrators as soon as is practicable following the creation of the vacancy.

6. Fiscal Management. The provisions for fiscal management of the Association set forth in the Declaration of Condominium and Articles of Incorporation shall be supplemented by the following provisions:

6.1 Accounts. The receipt and expenditures of the Association shall be credited and charged to accounts under the following classifications as shall be appropriate, all of which expenditures shall be common expenses:

a. Current expense, which shall include an amount no less than is required to provide funds in advance for payment of all of the anticipated current operating expense and for all of the unpaid operating expense previously incurred.

b. Reserve Accounts. Reserve accounts for the funds required by the Florida Condominium Act, now Fla. Stat. 719.106(j)2, not waived or reduced by the Unit Owners, together with money collected for capital expenditures and deferred maintenance. The Board of Administrators may deposit these funds in more than one bank account but adequate accounting records shall be kept so that the funds will be used only for the purpose designated. The reserves shall only be used for the purpose for which they are reserved unless their use for other purposes is approved in advance by vote of the majority of the voting interests of the Association present at a duly called meeting of the Association.

Each reserve account shall be stated as a separate item and the budget shall show the estimated life, estimated replacement cost, and the estimated remaining useful life for each item for which reserves are maintained or required, if not

waived. The budget shall state separately the current balance in each reserve account as of the date the proposed budget is prepared.

Reserves shall be established and maintained for capital expenditures and deferred maintenance (purchase or replacement of an asset whose life is greater than one year or the addition of an asset which extends the life of a previously existing asset for a period greater than one year).

6.2 Annual Budget. The proposed annual budget of common expenses of the condominium shall be detailed and shall show the amount that is required to provide funds in advance for payment of all of the anticipated current operating expenses and for all of the unpaid operating expenses previously incurred. Expenses shall be shown monthly and annually. The budget shall state accounts and expense classifications including, but not limited to:

A. Expenses for ASHTON LAKES NO. 4 CONDOMINIUM ASSOCIATION, INC.:

- (2) Management fees;
- (3) Professional fees and expenses;

- (6) Insurance;
- (7) Security provisions;
- (8) Other expenses;
- (9) Operating capital;
- (10) General reserves, maintenance reserves and depreciation reserves;
- (11) Fees paid Bureau of Condominiums, Division of Florida Land Sales and Condominiums.

B. Expenses for an Owner of a Unit in ASHTON LAKES NO. 4, a Condominium:

- (1) The payment due ASHTON LAKES COMMUNITY ASSOCIATION by its budget of anticipated expenses for the operation, maintenance, repair, and replacement of the ASHTON LAKES COMMUNITY FACILITIES for the proposed year.

a. Adoption of Budget. The Board of Administrators may adopt the proposed annual budget of common expenses for the Condominium. In such event, the Board of Administrators shall mail a notice of the meeting to adopt the proposed annual budget and copies of the proposed annual budget of common expenses to the Unit

Owners not less than fourteen (14) days prior to the meeting at which the budget is to be considered.

b. Adoption of Budget by Unit Owners. As an alternative, the Board of Administrators may submit the budget to a special meeting of the Unit Owners of the Condominium and must do so when required by the provisions of Fla. Stat. 718.112(2)(e) (1986). At the special meeting of the Unit Owners to consider and enact a budget, adoption of the budget shall require a vote of not less than a majority of all the voting units in the Condominium. The budget may be proposed to the Unit Owners at a meeting of the owners or/and in writing, and if the proposed budget is approved by the Unit Owners at the meeting or by majority of the Unit Owners in writing without a meeting, the budget shall be adopted.

c. The proposed budget shall contain a statement of the reserves described above and required by the Florida Condominium Law. Such reserves shall be adopted unless waived or funded in an amount less than the total amount shown on the proposed budget at a duly called meeting of the members of the Condominium. Waiver or adoption of reserves in a lesser amount shall be by a majority vote of the members present at a duly called meeting or by a majority of all the Unit Owners of the corporation by written agreement. If reserves are not waived or funded in a lesser amount, the reserves as stated in the budget shall go into effect.

d. If the budget is amended after adoption, a copy of the amended budget shall be furnished to each member.

6.3 Assessments. The Board of Administrators shall assess the owners of Units in the Condominium for their share of the common expenses based upon the budget of the Condominium, the share of such expenses due from each Unit by the provisions of the Declaration of Condominium, and the share of the expenses of ASHTON LAKES COMMUNITY ASSOCIATION, INC. due from each Unit. Assessments shall be monthly, except when accelerated for non-payment as hereinafter provided, and shall continue until changed by the Board of Administrators. Unit Owners shall be notified each year of the annual and monthly amount of the assessment for that year. The Association is not required to send monthly statements of assessments. Payment of assessments is due from Unit Owners whether or not the notice of assessment is received. The Association may require a member to maintain a security deposit to pay future assessments, which security deposits shall not exceed two monthly installments.

6.4 Assessments for Emergencies. The Board of Administrators may levy an assessment for an emergency expense not set forth in the budget of the Condominium, or not set forth in the amount subsequently found to be required, without prior approval of the Unit Owners of the Condominium provided that such special assessment shall not exceed \$500.00 per Unit. Emergency assessments shall be payable within thirty (30) days of mailing the notice of the special assessment. Unit Owners shall be given written notice of the meeting of the Board of Administrators at which the special assessment is adopted as provided by the Bylaws which shall state the amount of assessments proposed and the reasons for the assessment.

6.5 Amendments to the Annual Budget. As an alternative to emergency assessments, the annual budget of the Condominium may be amended during the budget year. Such amendment shall follow the procedure and be subject to the provisions and limitations of the Bylaws, Declaration of Condominium, and the State of Florida Condo-

minium Act for the adoption of an annual budget.

6.6 Excess Assessments. Each year at the annual Owner's meeting or at a special meeting called for such purpose, the members shall determine whether to return to themselves any excess assessments (other than extra-ordinary assessments) not actually used in the managing, operating and maintaining of or the creation of reserves for each condominium or to have the excess applied against expenses for the following year. In the event such excess is determined to be returned to the Owners, it shall be allocated pursuant to the percentage in the common surplus held by each Unit.

6.7 Collection. A Unit Owner, regardless of how title has been acquired, including purchase at a judicial sale, is liable for all assessments which come due while he is a Unit Owner. The Unit Owner is jointly and severally liable with the grantor for all unpaid assessments against the unit for its share of the common expenses without prejudice to any rights of a grantee to recover from a grantor. The mortgagee of a first mortgage of record, or other purchaser of a unit at public sale resulting from foreclosure of a first mortgage, or the grantee of a deed given in lieu of foreclosure to a first mortgagee is not liable for the unit's share of common expenses or assessments which became due prior to acquisition of title as the result of the foreclosure or deed in lieu of foreclosure unless that share is secured by a Claim of Lien for assessments recorded prior to recording of the first mortgage. Assessments, installments of assessments, special assessments shall bear interest from the date due at the highest rate provided by law.

A. The liability for assessments may not be waived by waiver of the use or enjoyment of any common elements or by the abandonment for which the assessment is made.

B. The Association has a lien on each condominium parcel for any unpaid assessments with interest and for reasonable attorney's fees incurred by the association which are incident to the collection of the assessments or enforcement of the lien, which lien is subject to and may be foreclosed pursuant to the provisions of Fla. Stat. 718.116, as amended from time to time.

C. Acceleration. If the Owner(s) of a unit is in default for failure to pay an assessment, and such default continues for more than thirty (30) days after the Association gives written notice to the Unit Owner of its intention to accelerate and foreclose the lien of the Association to collect the unpaid assessments, the Association may accelerate the due date of the assessments for the balance of the year and declare all assessments for the year due and payable. The notice shall include a statement that the Association will accelerate the balance of the monthly payments of the annual assessments due from the unit, if the unpaid assessments are not paid in full, including interest, costs and attorney's fees. If the Association elects to accelerate the assessments, it must file a claim of lien and give notice of its election to accelerate in the Claim of Lien.

6.8 The depository of the Association shall be in such bank or banks as shall be designated from time to time by the Board of Administrators and in which the monies of the Association shall be deposited. Withdrawal of monies from such accounts shall be only by checks signed by such persons as are authorized by the administrators.

6.9 The Association shall provide financial statements and/or financial reports as required by Fla. Stat. 718.11(13 & 14) and the rules and regulations of the Florida Division of Land Sales and Condominiums as these may be adopted and amended from time to time.

6.10 Fidelity bonds shall be required by the Board of Administrators from all Administrators or officers handling or responsible for Association funds. The amount of such bonds shall be determined by the Administrators. The premiums on such bonds shall be paid by the Association.

6.11 Assessment Certificate. An Owner of or mortgagee or lien holder on, any Unit within the Condominium may require the Association to furnish a certificate showing the amount of unpaid assessments against the Unit. Any person other than the Owner who relies upon the certificate shall be protected by it.

A. Accurate, itemized, and detailed records of all receipts and expenditures;

B. A current account and a monthly statement of the account of each unit designating the name of the Unit Owner, the due date, and the amount of each assessment, the amount paid upon the account, and the balance due.

C. All audits, reviews, accounting statements, and financial reports of the Association or Condominium.

6.13 The Association shall maintain the following records:

D. A certified copy of the Articles of Incorporation of the Association and each Amendment thereto.

F. Minutes of all meetings of the Association of the Board of Administrators and of the Unit Owners, which Minutes shall be contained in books and shall be retained for a period of not less than seven years.

H. Voting certificates of Corporations and dispute settlement agreements of Owners, when required.

I. All current insurance policies of the Association and the Condominium.

K. Bills of sale or transfer for all property owned by the Association.

L. Ballots, sign-in sheets, voting proxies, and all other papers relating to elections, which records shall be maintained for a period of one (1) year from the date of the meeting to which the record relates.

M. All rental records for which the Association is acting as agent for the rental of condominium units.

All records shall be maintained in the County in which the Condominium is located, or within fifty (50) miles of the Condominium if maintained in another County, open to inspection by any member or his representative at reasonable times. The right to inspect includes making or obtaining copies at the member's expense.

6.14 Assessments for ASHTON LAKES COMMUNITY ASSOCIATION. ASHTON LAKES COMMUNITY ASSOCIATION shall prepare and furnish an annual budget of all proposed receipts and expenditures including reasonable allowances for contingencies and working funds. The budget of ASHTON LAKES COMMUNITY ASSOCIATION, INC. shall state the total amount to be collected from all of the Units within ASHTON LAKES Residences and the amount due from each Unit. The amount due ASHTON LAKES COMMUNITY ASSOCIATION from each Unit of ASHTON LAKES NO. 4, a Condominium, shall be included in the Annual Budget of the Condominium and collected from the individual members by the Condominium as assessments in accordance with Fla. Stat. 718.116 (1984), and the Declaration and Bylaws of the Condominium. These provisions for assessment and collection do not conflict with or modify the other provisions of the Declaration of Condominium of ASHTON LAKES NO. 4, or the Articles of Incorporation or Bylaws of ASHTON LAKES NO. 4 CONDOMINIUM ASSOCIATION, or ASHTON LAKES COMMUNITY ASSOCIATION which provides that ASHTON LAKES COMMUNITY ASSOCIATION may receive payments directly from owners and may file a lien for assessments.

Assessments to pay the amounts due by the ASHTON LAKES COMMUNITY ASSOCIATION Budget shall be divided equally among all of the owners of units in the ASHTON LAKES Community, and shall be collected by each condominium, or other organization provided to administer the residences within the ASHTON LAKES COMMUNITY.

7. Parliamentary Rules. Roberts' Rules of Order (latest edition) shall govern the conduct of Association meetings when not in conflict with the Declaration of Condominium, Articles of Incorporation, or these Bylaws.

8.1 Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is considered.

8.2 A resolution adopting a proposed amendment may be proposed by either the Board of Administrators of the Association or by the members of the Association. Administrators and members not present in person or by proxy at the meeting considering the amendment may express their approval in writing, providing such approval is delivered to the Secretary at or prior to the meeting. Except as elsewhere provided, such approvals must be either by:

- a. not less than a majority of the votes of the entire membership of the Association; or
- b. until the first election of Administrators by all of the members of the first Board of Administrators.

8.3 Proviso. Provided, however, that no amendment shall discriminate against any Unit Owner nor against any Unit or class or group of Units unless the Unit Owners so affected shall consent and no amendment shall be made that is in conflict with the Articles of Incorporation or the Declaration of Condominium. Provided further, that no amendment shall be made to Sections 2.11, 3.4(g), or 6.2(a), without the written approval of the Developer of the Condominium.

8.4 Limitation on Amendments. No Bylaw shall be revised or amended by reference to its title or number only. Proposals to amend existing Bylaws shall contain the full text of the Bylaws to be amended; new words shall be inserted in the text underlined, and words to be deleted shall be lined through by a hyphen. However, if the proposed change is so extensive that this procedure would hinder rather than assist the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but instead, a notation shall be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial rewording of Bylaws. See Bylaw _____ for present text." Non-material errors or omissions in the Bylaw process shall not invalidate an otherwise properly promulgated amendment.

8.5 Execution and Recording. No amendment to the Bylaws shall be valid unless set forth in or annexed to a recorded amendment to the Declaration. A copy of each amendment shall be attached to a certificate certifying that the amendment was duly adopted as an amendment to the Declaration and Bylaws, which certificate shall be executed by the appropriate officers of the Association with the formalities of a deed. The amendment shall be effective when such certificate and amendment are recorded in the Public Records of Sarasota County, Florida.

9. Minutes. Seller agrees that construction of the unit and the condominium property of which the unit is a part will be completed and the same will be ready for occupancy before two (2) years from the date of the execution of this Contract of purchase and sale by each of the parties of this Contract.

Upon receipt of such sums, the Seller shall deliver to Buyer a good and sufficient warranty deed conveying to Buyer a good, marketable fee simple title, and a title insurance commitment, subject only to the matters set forth in Paragraph 7 of this Contract. Provided the Certificate of Occupancy has been obtained as above, any claims as to unfinished or improperly constructed work shall not relieve Buyer from their obligation to close and, except as to claims made by Buyer to Seller, acceptance of a deed to Buyer's unit by Buyer shall be deemed to be full performance of each and every obligation of Seller hereunder except warranty obligations as set forth in this Contract.

Upon written request of Buyer, Seller may, in its absolute discretion, without obligation, delay the date of closing upon such terms and conditions as shall be imposed by Seller including, but not limited to, payment by Buyer at closing of interest at the highest rate provided by law for each day the closing is delayed, which shall be payable in addition to all other amounts payable by Buyer according to the terms of this Contract.

Any mortgages and liens now or hereafter encumbering the real estate or unit will be discharged or released at or prior to closing but, until such discharge or release, Buyer acknowledges and agrees that his rights hereunder are subordinate to the lien of any construction loan mortgage which now or shall hereafter encumber the property prior to closing.

8. Buyer's Costs at Closing. Buyer's costs at closing shall be 1/4 of the purchase price which shall include Owners title insurance, documentary stamps, and recording. In addition, Buyer shall pay all utility deposits and the loan closing costs if the purchase is financed, which may include an origination fee, documentary tax, intangible tax, credit report, mortgagee title insurance policy, lender's attorney fee, appraisal fee, and establishment of an escrow account for taxes and insurance. Buyer shall pay all loan closing costs if Buyer finances his purchase. Taxes, interest, and assessments shall be prorated to the date of closing. In the event the real estate taxes shall not have been separately assessed to the unit at the time of closing, the Seller may use the best information available to prorate taxes, or, in the alternative, defer prorating taxes until the tax bill is received at the close of the year. Any item prorated based upon erroneous information shall be prorated a second time based upon correct information and the appropriate adjustment between Buyer and Seller shall be made.

9. Title Insurance. 12. Attorney's Fees. If any litigation occurs between the parties as a result of this contract or any other documents required by this Contract, the prevailing party shall be entitled to recover attorney's fees incurred and all court costs.

13. Risks Of Loss. Prior to closing, Seller shall assume all risk of loss by reason of fire, windstorm or other casualty. If prior to closing there shall occur substantial damage to the unit or to the common elements so as to make the same untenable, Seller shall have the option, exercisable by it within thirty (30) days from date of such occurrence, to return the deposit to Buyer and terminate this Contract or to declare its intent to restore the damaged premises as soon as is practicable to the same condition as they existed on the date hereof, in which event the closing shall be held upon completion of such restoration by Seller.

14. Maintenance Fee. It is further agreed that any monies paid for said items may be used for construction purposes by Seller in accomplishing the installation or upgrading of the items requested by Buyer and, in the event Buyer defaults, then in that event, those items paid by Buyer in regard to the additional items or work contemplated within this paragraph shall be forfeited by Buyer as agreed additional liquidated damages.
